POTATO & ONION BIN

Couple of bags of Potato and onion loitered around the kitchen makes the area messy. Organise the storage of potato and onions and also maintain the first in and first out, with Star Opus designed and manufactured potato and onions storage bin.

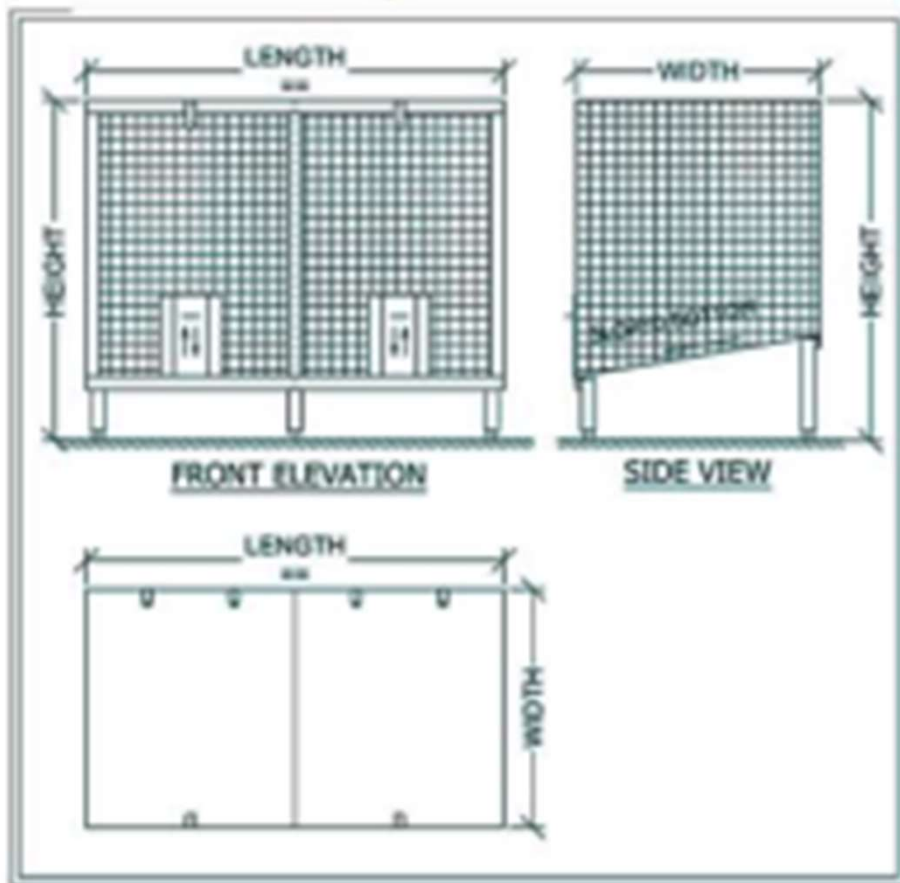

Easily empty the bag into the bin by opening the hinged door and take out the required quantity from the opening at the bottom with a sliding door. The construction with round bars help the produce to breath and stay fresh for a long time.

Two Section Bins

PRODUCT FEATURES

- Construction with stainless steel round bars
- The square grid does not allow small size of the produce to fall out of the bin
- Hinged door for clear opening when draining out the bags into the bin
- Legs resting on adjustable Nylon Bullet Feet
- All TIG welded for exposed areas & polished to No.4 Finish

OPTIONAL ACCESSORIES

- Lock for the top door and the bottom sliding door
